

# WEEKLY NOTES

**September 26, 2018**

## **Forms**

I sent emails to parents for missing forms. If you received an email, it is important for you to respond so we are in compliance with state law.

## **Homework**

Each student should decide on how they want to record their homework.

Some students use paper planners, and others are using notes in Google. Any method they chose is fine if they use it.

Below you will find the email addresses for our teachers, if you have a question or concern, please reach out to them.

## **Breakfast and Lunch**

It is important that students have breakfast and lunch. Their brains cannot function without the proper nutrition.

- We realize mornings can be hectic, but kids need to have something to eat. I suggest you get cereal bars and fruit, which are easy to take on the bus.
- We do not have a cafeteria, and the vending machines in the building do not have healthy options. We do allow our students to order from a local pizza shop the caveat is the bill must be paid prior to delivery.

## **Absences**

If your child is going to be absent, please call the office to report the absence. To be an excused absence you will need to send in a note.

Our Office number 215 663 1160

## **FLU Season**

Now is the time to prepare for the upcoming flu season. I encourage everyone to investigate getting a flu shot. You get flu shots at most pharmacies and doctor's offices.
