CELEBRATIONS

This week we recognized 3 special days

- National Internet Day Monday October 29th we celebrated by talking about life before the internet and created Memes. You can check out our Memes on our Facebook Page.
- Halloween was so much fun students and staff dressed up for the day. Of course, there were lots of fattening treats but there was lots of learning with our students on Wednesday October 31st by making caramel apples, slime and lava lamps and played Taboo. Check out our photos on Facebook Page
- Thursday November 1 was Author Day and we asked each student and staff member shared who their favorite author is. Check out the names on our Facebook Page

TELL ME SOMETHING GOOD

Every day I see our students and staff doing good and we don't take the time to recognize the good deeds. Deeds such as:

- Students helping other students with class.
- Teachers giving up their lunch to help a student.
- Students helping me bring in packages from my car.

Starting November 7th, we are going to recognize the good deeds by bringing back our **Tell Me Something Good Campaign**. Anyone can nominate someone for a good deed and drop it in our special **Tell Me Something Good** box.

Every time someone is nominated and put in the box the nominator can press the special button.

Every week we will announce our nominees who will be eligible for prizes at the end of the campaign.

FAVORITE TEAM FRIDAY

All the kids know I am an avid Philadelphia Eagles Fan and I have noticed those Fridays that I dress in Eagles gear the team wins. So I will be wearing Eagles gear on Fridays for the remainder of the football season. I invite staff and students to support their favorite team on Fridays by wearing their gear.

FLU SEASON

Now is the time to prepare for the upcoming flu season. I encourage everyone to investigate getting a flu shot. You get flu shots at most pharmacies and doctor's offices.

WE WOULD APPRECIATE DONATIONS OF TISSUES.

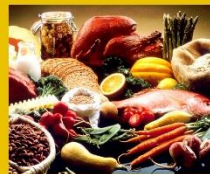

IF YOUR CHILD IS ABSENT

Please call the office to report the absence and send a note when they return.

NUTRITION IS IMPORTANT!

It is really important for our students to eat so they can LEARN. Students are coming to school without eating breakfast and without lunch.

We would appreciate donations of cereal bars and ramen noodles to keep in the office.
