

MileStone Happenings

November 19, 2018

The Board of Directors and staff of MileStone Academy wish you and your family a joyous Thanksgiving. It is a great time when celebrating with family and friends for you to share family stories with your children or have your child interview an older adult to discover what the world was like when they were growing up.

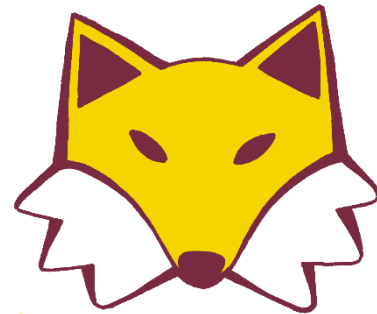

New Mascot

Meet our new mascot designed by Ms. Corrigan.

We need a new name for our Fox.

Look for more information about naming the MileStone Fox after the holiday.

There will be a prize for the best name.

Visitors

Over the past few weeks we have had several visitors to our school including students and parents looking at our school. The next few weeks we will have several more visitors.

Admissions reps from local postsecondary institutions are coming to speak to our Juniors and Seniors.

Monday December 3

Pennco Tech

Wednesday December 5

Lincoln Tech

Friday December 7

Orleans Technical Institute

Professionals

Dr. Michael Cassano

November 29th
